

A Cooperative Fund-Raising Idea! Join ADAPT's FUN*RUN for Disability Rights!!

For the FUN*RUN for Disability Rights, FUN*RUNNERS get friends, family members and others to sponsor them to JOG, WALK, RUN, ROLL or RIDE around a quarter-mile track as many times as they can in one hour.

FUN*RUNNERS contact people they know by e-mail, snail mail, phone, social media or in person to get pledges. ADAPT of Texas splits the amount raised with the organization designated by the FUN*RUNNER. This year, 75% of the collected pledges will go to your organization. We collect the funds and make it easy for FUN*RUNNERS and their sponsors using our online FUN*RUN portal.

This is not a traditional FUN*RUN—it's not a race! People from 5 to 105 can join the fun—from athletes to couch potatoes. They can walk, run, skip, waddle or roll around the quarter-mile track at whatever pace they please. Well-known community leaders can raise a lot of \$\$\$ for your organization.

How much can we raise doing the FUN*RUN?

- The average FUN*RUNNER does 15-20 laps in 1 hour.
- The average FUN*RUNNER raises approximately \$300

EXAMPLE: Your organization's total revenue: 10 FUN*RUNNERS X \$300 = \$3,000

Your organization gets: \$2,250

ADAPT of Texas gets: \$750

What do we have to do?

The key to a successful FUN*RUN is getting out runners who are willing to get pledges. Your job is to get runners with pledges to show up the day of the FUN*RUN. Getting FUN*RUNNERS is easy! Getting pledges is usually easy, too. All you have to do is ask!

Raise the funds your organization's needs!
